Dear Storage & Service Customers,

It's time to get your boat ready for the upcoming boating season. The details of the Spring Startup Special are on the back of this letter. Your boat will be checked per the list, which will assure you that everything is in working order for your first outing; and if there are any conditions we find during the Startup procedures that may cause you problems, you will be notified.

If you are interested in having us do the Spring Startup and/or any of the options, please fill out and return this letter. You can also email (dalehollowmarine@yahoo.com) or fax the front page to us at 931-864-7091 at your earliest convenience. The quickest way to get the appointment you want, is to call Tricia at 931-864-3252. The appointment will be made and verified on the telephone. **Appointments are available on a first come first serve basis for all customers.**

****If you email your request, be sure to include "Spring Startup" in the subject line.** We will reply to confirm your work order. If you do not hear from us, it is your responsibility to check before you make a trip here.
